

Steve Halliday Song List

Frank Sinatra:

All the way

Bad, bad Leroy Brown

Cheek to cheek

Chicago

Come fly with me

Fly me to the moon

For once in my life

French foreign legion

Girl from Ipanema

Hey jealous lover

I get a kick out of you

I'm gonna live until I die

I've got you under my skin

Let's face the music and dance

Let's get away from it all

Love and marriage

Love's been good to me

Moonriver

Mr Success

My kind of town

My way

New York, New York

Nice and easy

One for my baby (and one for the road)

Saturday night is the loneliest night of the week

Something stupid

Strangers in the night

That's life

The lady is a tramp

The look of love

The Summer wind

The tender trap

The way you look tonight

They all laughed

Witchcraft

You make me feel so young

Young at heart

MICHAEL BUBLE:

All I do is dream of you

All of me

Close your eyes

Crazy little thing called love

Cry me a river

Everything

Hold on

Home

I can't help falling in love with you (UB40 version)

I've got the world on a string

It had better be tonight

It's a beautiful day

Just haven't met you yet

Moondance

Save the last dance for me

Stuck in the middle with you

Summer Wind

Sway

To love somebody

Wonderful tonight

You don't know me

Dean Martin:

Ain't that a kick in the head

Almost like being in love

Blue moon

Everybody loves somebody

How do you like your eggs in the morning

King of the road

Little old wine drinker me

Mambo Italiano

On an evening in Roma

Sway

That's Amore

When you're drinking

You're nobody till somebody loves you
