THE FOLK SOUL BROS.

Performance -

The Folk Soul Bros performance as standard is 2 x 1 hour sets.

This also includes *The DJ Service until Midnight.

DJ Service -

As part of your wedding evening we provide a DJ Service as part of our set up for the evening.

This saves on the additional cost of booking one individually. Pre-request your playlist of songs or leave it in our hands and we can provide our extensive playlist for the evening.

What We Provide -

A professional RCF & PA System and LED Stage Lighting.

All of our equipment is PAT Tested, We have full Public Liability Insurance, certificates can be provided to the venue should they require it.

Booking With Us -

We work exclusively with AMV Live Music. Faye and the team at AMV take care of all our bookings and make sure our clients receive a first class service throughout.

We require a deposit to secure the booking, with the remainder payable closer to the date of event or wedding. .

Full Day Package -

Should you want to go all out... We also offer a full day package covering all of the live music at your wedding, including an acoustic performance during the Drinks Reception. Please enquire for more information.

We look forward to hearing from you.

If you have any questions please drop us a message on our Facebook page.
